A Way of Life

Foreword

S. H. H. S. is many different things to many different people. To some it is a period of serious preparation for the future; to others it is not so serious. To all it is A WAY OF LIFE. To some this way of life is of itself an enjoyment, a delightful experience. To others, it is sheer drudgery, but a rewarding experience.

We will never forget S. H. H. S., nor will S. H. H. S. ever forget us. As each person that passes through takes with him the mark of the school, so also does he leave his mark on S.H.H.S.

The MEMOIRS has attempted to record those marks which have been made in the past year and at the same time to record a bit of the WAY OF LIFE found here. It is meant as a tribute to the Class of 1966 and to S.H.H.S.

Dedication

This year the Senior Class is pleased to dedicate our yearbook to a man who is known and respected by every member of our school. This man's patience, understanding and enthusiasm have been instilled in all who know him and have endeared him to the faculty and the student body.

In appreciation for what he has meant to our school we dedicate the 1966 MEMOIRS to Mr. B. B. Booth.

A Tribute to the Teachers

Thrust into a strange world, a good teacher is the best thing that can happen.

A t e a c h e r is courage with K l e e n e x in its pocket, sympathy struggling with a snow s u i t, and p a t i e n c e with papers to grade. Teachers spend twelve hours a day searching for truth and the other twelve for error.

They are indispensable, invincible, and nearly inexhaustible. A teacher really does not mind s n i f f l e s, squirming, stomach aches, spills, sloth, and sauciness. Neither does she disintegrate before tears, trifles, f i g h t s, futility, excuses, parents who spout, little boys who shout, and little girls who pout.

Most of all, a t e a c h e r is somebody who likes somebody else's children—and still has enough strength to go to the P.T.A. meetings. Thank Heaven for teachers!

Last Will and Testament

JUDY STEVENS

State of North Carolina
County of Nash
Town of Spring Hope
Spring Hope High School

We, the Senior Class of Spring Hope High School, being of sound mind (?) in this year of our Lord, nineteen hundred and sixty-six, do declare and establish this last will and testament to be executed by anyone who wishes.

ARTICLE I

To Mr. Booth we leave the annual in appreciation for all the help he has given us in his class and otherwise through these past four years.

ARTICLE II

To Mr. Parrish we leave the lower classmen to handle in any way he pleases. Let us just hope they do not give him as much trouble as we did. Thank you for keeping us in line these past twelve years.

ARTICLE III

To the faculty each student leaves his appreciation for the helping hand given him through the past twelve years.

ARTICLE IV

To the lower classmen, we leave all the fun we have had throughout high school. You will have to "live it up" if you have as much fun as we had. Good luck students and here is a word of advice to teachers: you had better get some nerve pills if you do not have them already.

ARTICLE V

The Senior boys leave their scatterbrain way of getting into trouble and their ability to argue their way out of any situation, big or small.

The Senior girls leave their favorite subject—boys and their license to go crazy at will.

ARTICLE VI

To the Juniors we leave front seats on the right side of the auditorium, senior privileges (?), class rings, and finally diplomas.

ARTICLE VII

To the Sophomores we leave the headaches of magazine sales, worries over Junior-Senior, driver's licenses, and the long-awaited Washington trip.

ARTICLE VIII

To the Freshmen we leave the halls of S. H. H. S. for as many years as you stay here, then the halls at the consolidated school. We take away the name as "green Freshmen" and let them become a little more mature.

ARTICLE IX

To the eighth grade we leave the thrill of entering high school for four glorious years and the ownership of lockers. Live it as well as you know how because these are the best years of your life, even though you do not know it.

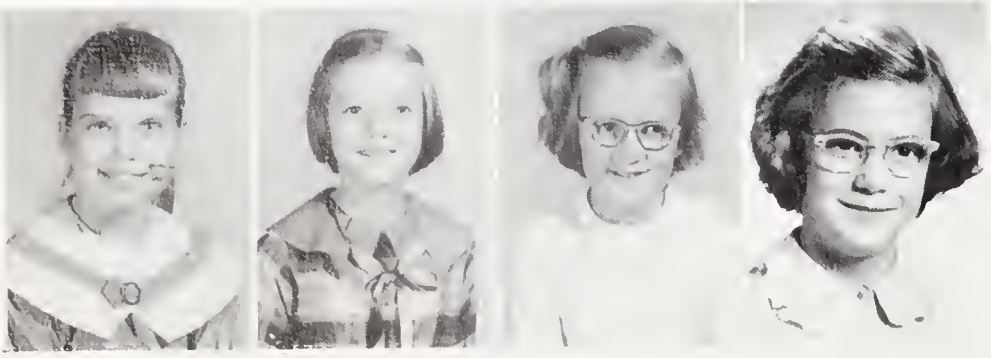
Spring Hope is People . . .

Future Fools of America.

Here lies Whitley!

"It ain't a goat!"

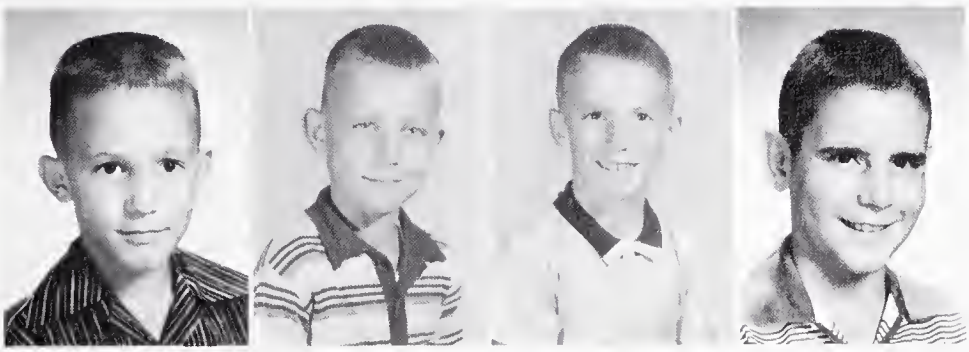


Organization, please!

"We believe in segregation."

"Pepsi Cola, moon pie, piece of cheese, cinnamon bun, umm!"

"Anybody want to buy some canvas--CHEAP!"



Bus drivers are friendly!

"I love Wayne and my little doggie too."

"There comes a time in every man's life—"

Gonna stay Millard?

Ants in your pants?

That was the weekend that was!

"Hail! hail! The gang's all here!"

"As those saints go marching in!"

Just Married

"Stop, in the name of love!"

Indecent exposure

Prune Face — not any more!

"Who me?"

Spring Hope is Supporters . . .
